

# SALTWATER WELLS IN MY EYES

Julian Lennon

We are a rock revolving      Around a golden sun  
We are a billion children      Rolled into one  
So when I hear about      The hole in the sky  
Saltwater wells in my eyes.

We climb the highest mountain We'll make the desert  
bloom  
We're so ingenious      We can walk on the moon  
But when I hear of how      The forests have died  
Saltwater wells in my eyes.

## CHORUS

I have lived for love      But now that's not enough  
For the world I love is dying      And now I'm crying  
And time is not a friend      As friends we're out of time  
And it's slowly passing by      Right before our eyes.

We light the deepest ocean      Send photographs of Mars  
We're so enchanted by      How clever we are  
Why should one baby      Feel so hungry she cries  
Saltwater wells in my eyes

## CHORUS

We are a rock revolving      Around a golden sun  
We are a billion children      Rolled into one  
What will I think of me      The day that I die  
Saltwater wells in my eyes      Saltwater wells in my eyes  
Saltwater wells in my eyes.
